

Full Name: Ryspaev Talant Akimzhanovich

Place of employment: Kyrgyz State Technical University named after Razzakov

Kyrgyz-German Technical Scientific Center (KGTSC)

Position: Director

Country: Kyrgyzstan

E-mail: talant.ryspaev@gmail.com

Education:

- Higher Education, Tomsk Polytechnic University (1982)
- Candidate of Technical Sciences, Moscow Institute of Steel and Alloy (1989)
- Doctor of Technical Sciences, Technical University of Clausthal, Germany 2011

Work Experience:

- Research Associate of Technical University of Clausthal, 2000-2001
- Dean/Director of Kyrgyz-German Technical Faculty/Institution, 2011-2014
- Director of Kyrgyz-German Technical Competent Center, from April 2014

List of Publications:

1. O. Maslennikov, T. Ryspaev „ «Metallurgische qualitätskontrolle der edelmetall-legierungen im Laufe der beim herstellungsprozes der münzrohlinge», Konferenz, Almaty, German-Kasachstan University, Juli, 2014 (in German)
2. T. Ryspaev, M. Janecek, P. Minárik, V. Wesling, L. Wagner and R. Kral: Grain Refinement after Various Thermo-Mechanical Treatments in AZ80 and ZK60 Magnesium Alloys, Vol. 122 (2012) ACTA PHYSICA POLONICA A No. 3, p.p. 622-624
3. Ryspaev T.A.: „Manufacturing, superplastic properties und low temperature welding of the fine grained magnesium alloys“, habilitation thesis, TU Clausthal, Juni 2011, http://www.tu-clausthal.de/presse/tucontact/pdf/TUContact_2011-02.pdf
